

## SEMINAR MOVING TO CLOUD COMPUTING: Risk Management Strategies for Government

### Topics Covered

- What is cloud computing?
- Overview of the key legal risks:
  - security
  - privacy
  - technology ownership
  - standards of service
- Risk management - how to use cloud computing in a secure and private way

### Speakers

#### **Paul Gleeson**, *Principal, Russell Kennedy*

Paul has more than 18 years experience advising clients in the areas of commercial, technology and intellectual property law. He has particular expertise in intellectual property matters, including the commercial exploitation of intellectual property and technology, trade marks and passing off disputes.

#### **Craig Subocz**, *Senior Associate, Russell Kennedy*

Craig is experienced advising public and private sector clients in intellectual property and information technology, including technology commercialisation, intellectual property protection and ICT products and services procurement. He regularly represents clients in intellectual property licensing and enforcement and in ICT procurement arrangements.
